MASK OPT OUT FORM

Due to the global COVID-19 pandemic, the Board of Education has decided that all students must wear masks or other face coverings while they are at school or participating in school activities, with certain activity-based exceptions, unless their parents object to their student being required to wear a mask or other face covering (Green Phase Only).

If you have no objection to your student wearing a mask while at school and related activities, you do not need to do anything.

If you object to your student wearing a mask while the Aurora Public Schools is in its Green Phase of Operations, in order to reduce the risk of your student transmitting or contracting COVID-19.

By signing below, I understand that not wearing a mask may increase the risk of my student transmitting or contracting COVID-19 and subjects them to increased chances of quarantine, should they come in close contact with someone who tests positive for COVID-19.

I do NOT wish my student to wear a mask while at school.
